

# INVER GROVE HEIGHTS Youth Enrichment

## American Red Cross Babysitter's Training (Ages 11+)

This course is designed to provide youth who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. Youth will learn skills in four core areas: leadership and professionalism, safety, basic care for infants and children and first aid. Certification and Babysitter's Handbook included. Please bring a bag lunch and a beverage.

## Glow-in-the-Dark Art Camp

These projects will ROCK your child's world long after the lights go out at night. You guessed it, all the projects we create in this camp will glow-in-the-

dark! How cool is that?!?!? We will be working with a variety of different art supplies including clay, paint and other luminescent materials to create masterpieces your child will be ready to show off in the dark! Please pack a nut free snack and water bottle for your child.

## {YEL!} Junior Coding with Scratch®

STEM Coding Enrichment for the 21st Century learner. Each {YEL!} Coding class follows four basic components: • Teach It!... Students learn different story-telling and coding techniques (movement blocks, animation, dialogue, timing, etc.) • Code It! Students use Scratch® to code their own animated story lines: i.e. westerns, missions in space and even dance parties.

• Explore It! Students can write their own code, experiment with it and test new options. We foster a collaborative environment where students learn from each other's creativity.

• Keep It! Students can keep their code online with Scratch® and can access it and expand upon it at any time. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}. Scratch® is not affiliated with.
